

Table of Contents

I - Introduction	
Harrisburg Area Transportation Study (HATS).....	2
Purpose.....	4
SAFETEA-LU Planning Factors	5
Planning Assumptions	6
II - Trends & Projections	
Population & Households	1
Employment	1
Vehicle Miles Traveled.....	6
Journey to Work	8
Vehicle Availability	27
Regional Development Patterns	31
III - Existing Conditions & Initiatives	
Highway & Bridge	
Existing Infrastructure	1
Safety Improvements	1
Bus Transit	
Capital Area Transit	9
Raider Regional Transit.....	10
Inter-regional Bus Service	11
County Paratransit Services.....	11
Rural Transportation Services	12
New Freedoms	13
Job Access / Reverse Commute.....	13
Special Transportation Services	14
Handicap Accessible Service	14
Fixed Bus Route Level of Service	14
Park and Ride Facilities	16
Transit Transfer Centers.....	16
Short Range Transit Plan.....	16
Other Transportation Options	16
Other Transit Modes	
Rail - Commuter	20
Air Service	20
Bicycle/Pedestrian Transportation Facilities	21
Freight (Truck/Rail/Air)	32
Environment	54

IV - Transportation Systems Management and Operations	
Congestion Management Process	
Congestion Management Systems (CMS) Plan	1
Statewide Congestion Measurement Pilot Study	1
Susquehanna Regional Transportation Partnership (SRTP).....	3
Susquehanna Valley Air Quality Partnership.....	4
Intelligent Transportation Systems (ITS) Planning	
ITS Regional Architecture	5
South Central PA Regional Advisory Panel (RAP)	6
District 8-0 Deployment Projects	7
Statewide Transportation Systems Operations Plan (TSOP).....	9
Travel Demand Model	10
Air Quality Conformity	11
V - Transportation Plan	
Vision	1
Goals, Policies & Actions.....	1
Linking Planning & NEPA	5
Financial Plan	12
Projects & Programs.....	18
Implementation	24
Public Education & Public Involvement	27
Environmental Justice	33
Appendix	
Employment projections by Municipality	A-1
HATS Project Priority List.....	A-4
Regional Environmental Features Data	A-7
RGMP Environmental Features maps	A-9
RTP Projects with Potential Environmental Impact list	A-17
List of Public Outreach meetings.....	A-25
Transportation Survey Results.....	A-26
Vehicle Availability by Municipality	A-32
Response to Public Comments.....	A-35
Air Quality Conformity Analysis - Executive Summary	

Map List

Major Employers.....	II-3
No Vehicle Households	II-4
Employment Change 2000-2030.....	II-7
Journey to Work Total Trips	II-10
Employment Locations of HATS Residents	II-13
Residential Location of HATS Labor Force	II-14
Existing Land Use	II-33
Future Land Use.....	II-34
Crash Rates 2000-2006	III-5
Carpool and Transit Sites.....	III-18
CAT Route Sidewalk Inventory.....	III-23
Target Sidewalk Inventory Areas	III-24
Highway/Transit/Bicycle/Pedestrian Need Locations.....	III-27
Truck Route Level of Service & Bottlenecks	III-46
Key Goods Movement Corridors & Facilities	III-49
Project Location.....	V-26
Areas of Concern Map 1	V-37
Areas of Concern Map 2	V-38
Areas of Concern by Block Group	V-47
Regional Growth Management Plan maps (http://www.tcrpc-pa.org/rgmp.asp)	
Map 4-3: Stream Corridor Sensitive Areas	A-9
Map 4-4: Regional Agricultural Lands for Reservation	A-10
Map 4-5: Regional Prime and State Important Agricultural Soils	A-11
Map 4-7: Steep Slopes.....	A-12
Map 4-8: Natural Areas Inventory.....	A-13
Map 4-9: Historical Sites & Regionally Significant Features.....	A-14
Map 8-3: Community Water Supply Systems	A-15
Map 8-4: Recreational Areas	A-16
