

Dauphin County adopts 'Growing Together'

HARRISBURG

Dauphin County Commissioners Jeff Haste, Mike Pries and George P. Hartwick, III adopted a new comprehensive plan, "Growing Together" that outlines community, environmental and economic development goals for the county and establishes the steps needed to achieve these goals.

Dauphin County also is the first county to use the state Department of Community and Economic Development's "Implemtable Comprehensive Plan" approach to develop a user-friendly, action-oriented process for accomplishing goals.

The plan was developed during the past year and included a public presentation to the county commissioners June 7 and a public hearing July 12, prior to the vote.
